

Dorian Selz

co-founder and CEO of Squirro

Dr. Dorian Selz is co-founder and CEO of Squirro, an AI company. Before that he founded the Swiss search platform local.ch and made it the market leader in four years. Previously he was a partner and COO at Namics, the largest e-business consultancy in Switzerland & Germany. He holds a PhD from the University of St. Gallen and a Master in Economics from the University of Geneva. Bilanz & Le Temps, two leading Swiss Newspapers, have named him a member of the 'Hall of Fame' of the top 100 Digital Shapers of Switzerland.

Programm

ZEIT Mittwoch, 24. April 2024, 10:00 - 10:40 UHR , Seminarraum 4 (mit Video)

THEMA Chat's the past - Autonomization is the future
